Adjustment Guide

DUOREST®

A CLOSER LOOK

Adjustable Headrest
Optional Headrest accessory adjusts 72mm (2.9") vertically.
• Pivoting range : 64°

Arms
3D arms allow fluid adjustment in three directions :
- Height adjustment range : 68mm (2.7")
- Front-to-back adjustment range : 40mm (1.6")
- Pivoting arm caps : 15° inward and 15° outward

Seat
Seat Cover is removable for washing.
Seat pan is detachable and replaceable with the SMART SEAT based on Sensor Technology.

Weight-activated Synchronized Mechanism
Auto-Balance tension adjustment utilizes the weight of the user to balance resistance of the back.
3:1 back to seat synchronous movement with 3 position back lock.
Back reclines 18° from upright positon.

Adjustable Backrest
Backrests allow fluid adjustment in two directions :
- Height adjustment range : 43mm (1.7")
- Width adjustment range : 33mm (1.3")

DUOREST® System
DUOREST® System makes dynamic sitting by allowing freedom of movement in any position.
DUOREST® System reduces fatigue and alleviates back pains associated with long sitting.

Seat Slider
Seat depth adjusts within a 55mm (2.2") range to accommodate users of varying leg lengths.

Base
27" (688mm) Five-arm base is available in plastic or polished aluminum.

Casters
Soft dual-wheel casters are 65mm O.D. for use on hard floors.
Only available in Black.
